

The Maccabi LMS: Getting Started

Go to <http://learning.maccabi.com.au>

If you have an existing account, fill in your username/email and password and press the blue LOGIN button.

If you need to create an account, press the green SIGN UP button.

If you're creating a new account, you need to ensure you fill in:

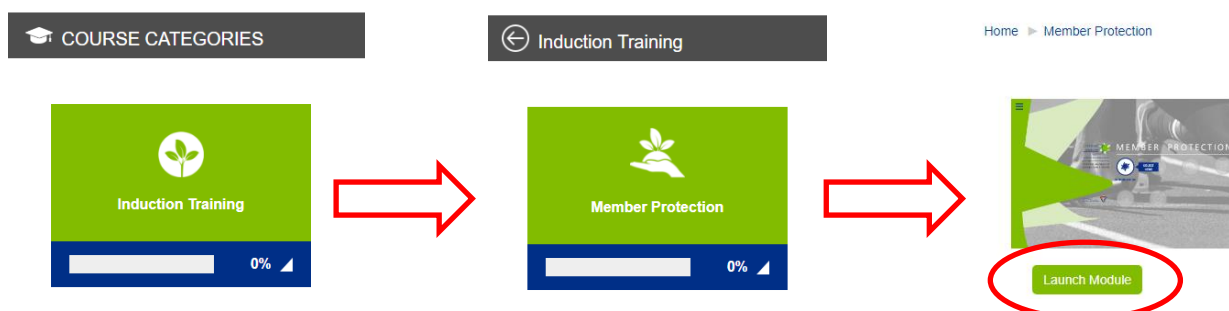

- Username (we recommend firstname.surname so it's easy to remember)
- Password
- Email address
- First name
- Surname
- Your Working With Children Check Details*
- Which State you are in
- Which club you are involved with
- Your role/s within the club

* If you are waiting to receive your Check, you can skip this section for now and come back to it

You will then receive an email asking you to confirm your account.

Once you have logged in, scroll down to Course Categories and select Induction Training, then Member Protection

Click Launch Module to begin the online training
