About Maccabi WA Membership

Be part of your local Jewish Sporting Community with **Maccabi WA Membership**

As part of a worldwide organisation Maccabi WA represents Jewish and non Jewish sport participants and athletes in Western Australia.

Maccabi WA is part of the largest Jewish grassroots organisation in Australia, with a history that spans almost a century, and thousands of members who connect every year through our clubs and programs.

Maccabi WA exists to promote Jewish identity and continuity – *connecting our Jewish community through sport and wellbeing*

Maccabi symbolises community, friendship, connection and competitive spirit. Just as sport maintains an important role in society, Maccabi has and will continue to play an intrinsic part of the fabric of the Australian Jewish community.

Join Your Local Club
